

# LLCO<sub>2</sub><sup>TM</sup> System

## Single-trigger design is optimized for CO<sub>2</sub> gas

The LLCO<sub>2</sub> single-trigger cryosurgical system maximizes temperature and minimizes the clogging and sputtering commonly associated with CO<sub>2</sub> gas.

- Trigger to freeze, release to defrost
- Use with medical grade CO<sub>2</sub> gas for optimal performance
- Lightweight, well-balanced and maneuverable
- Use with Wallach's standard cryotips with disposable plastic shields

Both the LL100 and the LLCO<sub>2</sub> are available in three-tip package specials with additional savings. Choose three cryotips from our comprehensive offering when ordering. Wallach recommends the T-1905, T-2514, and T-0500 for GYN procedures and T-0524, T-0219, and T-1900 for general/family practice procedures. Call Wallach customer service for more information.

ITEM NUMBER	DESCRIPTION
900160	LLCO <sub>2</sub> Cryosurgical System – CO <sub>2</sub> (Freezer Only)
901061	CO <sub>2</sub> Cylinder (unfilled)
901011	Cart for 20 lb. Cylinder
900221AA	Disposable Plastic Shields for Cryo Tips (100 per Bag)
